**NEW BOAT
FOR SALE**

BOURNE BOATS

Ref: 1029

NEW 2010 57ft Trad

£ 84,000

Description: Due for completion in Spring 2010, this high specification boat will be built to the superior standard we have come to expect from Bourne Boats. In addition to the standard spec., the buyer has the opportunity to include a number of options, giving much of the benefit of having a bespoke boat built but at a standard price. Access to the boat from the rear is through doors with large slide on rollers over the engine. This is neatly enclosed but allows easy access. Further steps lead into the bedroom with fixed double bed with ample storage space. A door leads to the walk-through bathroom with quadrant shower cubicle and Vetus electric toilet with remote holding tank. A further door leads to the galley, with space for washing machine, fitted out with bespoke cabinets in maple. Equipment includes gas hob and fitted oven and 12V full-sized fridge. The saloon is stylishly fitted with L-shaped leather settee which will convert to a second double. Ample storage space is provided along with a bespoke folding table and fitted 12V HD-ready TV. A tiled hearth contains a Multifuel stove and heating is also provided throughout the boat through radiators supplied by diesel boiler. The boat is lined out in 12mm maple-faced boards with solid maple trim complemented by chrome light fittings. 12 & 230V chrome sockets are provided throughout the boat, the latter supplied by either landline or Victron Multiplus inverter/charger. A 230V alternator is included. The boat will not fail to impress and a similar demonstrator can be viewed at Aqueduct Marina.

Specification: Beta 38 engine with Twin alternators, PRM150 hydraulic gearbox. 4+1 batteries, landline with GI, Victron 2000W Multiplus Inverter/charger. Travelpower 230V alternator. Flooring in 24mm birch-faced ply board, 12mm maple-faced board to hull and cabin sides, solid maple mouldings, trims and covers. Ceiling in white beaded panels. Leather-covered settee. 12 & 230V sockets throughout. Soft furnishings, curtains and blinds in neutral shades. Full cruising kit. Eberspacher diesel boiler to radiators and twin-coil calorifer + solid fuel stove.. Vetus electric flush toilet. Glazed hardwood doors to bow. Easy-slide large hatch. A high quality boat which can be enhanced with further options. A boat to be really proud of.
